Dear Parents, Caregivers and Friends,

We had a great day at the **Senior Swimming Sports** on Friday, with all participating students being actively involved in the entire programme. Their efforts were rewarded with **first placing** in the overall schools points. Congratulations, Canvastown, Years 4-8 students! You are STARS! Havelock School came in 2nd place, Linkwater 3rd and Rai Valley were 4th.

The Years 1-3 students have their **Swimming Sports at Linkwater School this Friday, March 2nd**. I know they've been training hard for this event so we wish them all the very best on the day! Go Canvastown!

Recently, we received a letter in the mail from the **Education Minister, Chris Hipkins**. A copy of this letter is attached for you to read. I think we can all feel quite proud of our achievements!

Richie McCaw, Milk in Schools, promotion! Many of you may have seen this event advertised on TV and through social media! As dedicated rugby fans we would love to win this competition and have Richie fly into our school grounds. We do have the fields for him to land the helicopter in. Our thoughts were to have all the school dress up in some form of rugby attire, holding a school milk carton each, and take photos to send away. A blurb about our school would also be attached. If your child has extra rugby attire at home that they could share for this photo, could they please bring it along by next Tuesday.

Community Stall Day at Canvastown School – Next month, **Saturday, March 24th**, from **9 am -1 pm**, we are inviting all of you in our school and wider community to participate in our Community Stall Day. The event will be held in the school grounds and you are invited to have a stall/table/area to sell whatever you wish to sell. The school will charge \$5 per stall, (adults only) as a fundraiser and be running a Sausage Sizzle as well. Do contact the School Office if you are keen to be a part of this day – ph. 574 2103 or e-mail office@canvastown.school.nz . We will be sending a flyer out to all letter boxes in early March.

Have a good week

**Our Drop-In Sessions
Have started for 2018
Remember the date:
Thursday, 15th March
from 1pm.**

We will be at the Linkwater Hall from 1 pm on the 3rd Thursday of each month,
ready to help you with any technical problems you may be having, and this
month that day is the 15th..

We'll have a look and come up with a recommendation to fix the issue.

We can look at laptops, tablets, phones, pretty much any technology, and our
photography experts will be there too.

Our team has a wide range of skills, so nothing's too hard or too small for us to
check.

It's just a gold coin for SeniorNet members, for our team to check out the
problem.
