Dear Parents, Caregivers and Friends,

Winter weather seems to have well and truly kicked in this week after an amazing spring-like day on Sunday. Hopefully it will ease off by this Friday for the Pelorus Cluster event at Waitaria Bay. If too wet for orienteering, they will hold a technology challenge in their hall instead. We wish Griffin, Finn and Tessa all the very best!

I attended a **Science/Technology** workshop last Thursday and came back to school with a free kit that contained parts to make up 8 different cars. The Seniors have had a great time making these up and trialling their speed and durability on different surfaces. (The solar car is still awaiting sun power to make it go.)

Next Wednesday is **Wednesday Wig Day, a fundraiser for child cancer**. We regard this as a worthy cause to support so ask that your children wear a wig for the day (or part day) and bring a donation for the Child Cancer Foundation. Who will wear the wackiest, most colourful, funniest wig etc? If you prefer not to buy a wig, then you can create your own or do your hair up in a wacky style. We look forward to publishing some entertaining photos next week.

Rugby Results – Harlequins U13 (Griffin) – 47-27 win! **Renwick U11-** (Finn) loss!
Renwick U10 (Luke) – loss! **Rippa Rugby Pelorus U6** (Jack) 10-12 loss. Jack scored a try!

Netball Results –Primo Mussels (Charlie, Millie, Alice & Sarah) 12-4 loss!
Havelock Service Station (Marian & Zoe) Won by default!
Pelorus – (Tessa & Kaya)- 7 all!

Football Results – (Luke) loss! (Leo) 4-2 loss!

Sausage Sizzle – Don't forget our weekly Sausage Sizzle, every Wednesday. Sausage, sauce and bread is \$1.50. If you would like to pre pay, please deposit money into the PTA Account 03 0599 0345573 000, using your child's name as a reference. This can be easier than trying to find coins on a Wednesday morning!

Have a good week,
Karen Kellaway

Don't forget Wig Day Wednesday!

COMMUNITY NEWS

CANVASTOWN COMMUNITY ASSOCIATION ANNUAL GENERAL MEETING 12 JUNE 2018

At the meeting last night we had a good attendance of 14 people with 5 newcomers coming onto the Committee. Linden Armstrong stepped down as Chairwoman but will stay on as a committee member. We thank her for all her hard work as Linden took this job on when no-one else was willing to do so. Al Rees has volunteered to come forward as Chairman, with Gary Brown staying as Treasurer and Sheryl Johnsen as Secretary.

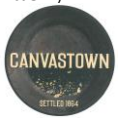

Items of interest were the Small Townships Programme, mowing of the river reserve, Deep Creek Cemetery, Blue Grass Band Dance in August, and Mike Johnston, historian, is coming again to give a talk later in the year.

The key to the Hall is still available at the Trout Hotel and we thank Ray and Karen for their past work in handling bookings for the Hall and keeping a general eye on the Hall. Thank you.

Karen Kellaway is now the new custodian of the Hall so phone Karen either at home (574 1407) or the School (574 2103).

One of the nice things to come out of the meeting was that we are going to resurrect the CANVASTOWN COMMUNITY NEWSLETTER. Barbara Lovelock has kindly offered to do this job, so if you wish anything to be in it, contact Al, Gary, Karen or myself until we are up and running. Barbara is reasonably new to the district so we will give her a little time to settle in.

Candidates for Outward Bound

Every year the Havelock Lions Club arranges sponsorship for a young person aged between 18 and 25 to attend a classic Outward Bound course. Funding for this comes from the Lions Club and from First Light Trust so that any young person who lives in the Pelorus area can be selected.

The course runs for 21 days and during this time our candidate will experience all outdoor elements and activities [Outward Bound](#) has to offer including sailing, kayaking, bushcraft and navigation. However, the most important aspect of the course will be the realisation that our candidate can rise to the challenge realising his or her potential and learning that, with perseverance, dreams can be achieved.

Our candidate will:

1. Challenge him/her self and push limits
2. Reflect, discover what is important to them and determine their [future direction](#)
3. Learn about themselves from both success and failure to take their [confidence](#) and [motivation](#) to the next level
4. Discover what it takes to create effective relationships and be part of a successful team
5. Develop a stronger sense of personal responsibility in responses to real and challenging situations.

If you know of someone who will benefit from this course, please get them to contact Debbie Healy. Her phone number is DDI 520 6262, mobile 021 284 2424 and her email address is greenprescription@marlboroughpho.org.nz.

Applications close on 7th July 2017. Candidates will be interviewed, and all candidates will be advised who the successful person is by 1st August.

The 2018 **Havelock Mussel & Seafood Festival** was generally regarded to have been a resounding success and the Committee are optimistic about next year's event. The Annual General Meeting will be held at the Bowling Club on **Thursday 2nd August at 7pm**. Come along and tell us what you think went well this year and what you think the Committee should look at for next year.
